e great novelty playlet entitled The great novelty playlet entitled Friendship, which will be presented all this week by Perkins, Lappin & Co. will be the greatest dramatic surprise that vandeville has given Norwich in a long time, and incidentally the most satisfactory and pleasing. It tells of two friends, one a hot-headed youth of 21 and the other a successful man of the world about 35, who are living together in an apartment at the Apollo chib, London, England. The sketch is presented by three well known dramatical people and has won great success in many Keith houses throughout the sustern states. The Auto Bugs, Carmontelle & Russell, a lively sister team, will sing and dance to the delight of their audiences. These clever girls wear beautiful costumes and make many changes which help to keep up the interest in their turn. The character singing comediennd, Mamile Fulton, and The Great Suback & Co. world's greatest bag punchers, will put the finishing touches on a most delightful vaudeville bill. Miss Lawrence, who has severed her connection with the Biograph film people, is now doing exceptionally fine work for the Imp, and she is seen with great pleasure almost dally on the sheet at the Auditorium.

### BREED THEATER. A Romance of the Western Hills, Bio. graph Indian Picture. .

Selected as the leading feature ple-ture for the first part of this week at the Bread theater is the superb scenic film entitled A Romance of the West-ern Hills, and depicting a strong In-dian story, enacted in the heart of the California mountains, and comprising a series of most wonderfully beautiful views.

a series of most wonderfully beautiful stews.

The story tells of a pretty little Incian skil being adopted by a white family, who make much of her, and all goes well until the young man of the family arrives home from college and falls in love with her. She presumes site is the only girl he has paid any attention to and is delighted until one day he appears with a fiancee selected from his own race. This is too much for her and she hurries to her old home and telle her old lover of her plight, and with all the spirit of revenue of his race aroused he goes to the home of the young man and would have killed him but for the interfertice of the Indian girl, whose great love for him saved his life.

A powerful dramatic picture is also on the bill, as well as some excellent chimedy and Miss Louise Sethert will appear in a new and selected song ar in a new and selected song ramme that cannot fail to delight many hearers.

## Tell Some Sick One

For 20 years it has been the standard remedy for Stomach, Kidney and Heart ailments everywhere in America.

When the 'inside' or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the Stomach, nor stimulate the Heart or Kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the cause of these allments—the falling, faltering, inside or controlling nerves. And herein lies the keynous to my success.

Besides, you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious aliment. I have helped thousands upon thousands by my private prescription of personal advice plan. My best effort is surely worth your simple request.
